RE: SANTA BARBARA COUNTY REPUBLICAN CENTRAL COMMITTEE
ID C00174334

June Monthly 2016

Dear Ms. Benitz:

Please find below our responses to your inquiry.

Item 1.

We have amended the report to include the address for each itemized disbursement.

Item 2.

The expenditures made for Fundraising on Schedule H4 were incorrectly described. We have amended the report with an accurate description of services provided, Executive Director-less than 25% FEA. The committee pays a financial firm that provides an executive director to the committee. There was confusion as to the description of the duties. The services provided were administrative in nature and less than 25% of time was spent on Federal Election Activity.

Item 3.

We have amended the report to itemize reimbursements to individuals. The original vendors are now included as memo entries. Due to a software glitch, expenditures were inadvertently reported on the H4 as 100% Federal. These expenses were administrative allocable expenses and now appear correctly on the H4 schedule with the appropriate 36%/64% allocation ration. Furthermore, 100% Federal FEA activity is now disclosing correctly on Line 30(b).

Sincerely,

Bryan Burch
